

Global Day of Action For Education

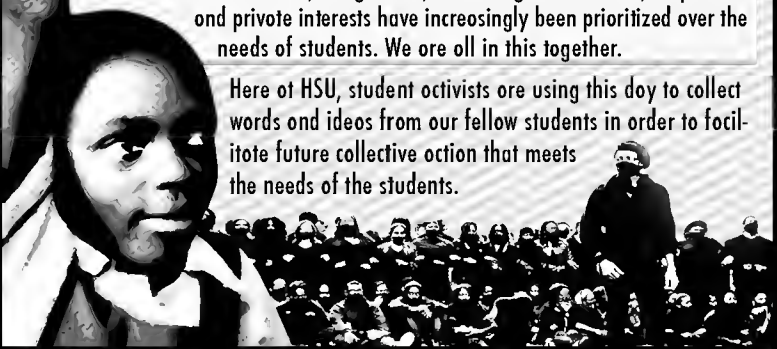

All over the world, the youth are uniting and taking action. From the Arab Spring, to the Occupy Movement, to the Student Protests taking place in Chile, Quebec and Mexico, young people are starting to reclaim their future.

October 18th has been declared a Global Day of Action for education by the International Student Movement, a platform for global education struggles. Students all over the world are struggling against an education system that has become deeply embedded into the neoliberal economic structure. With increased tuition and fees, budget cuts, and rising student debt, corporate and private interests have increasingly been prioritized over the needs of students. We are all in this together.

Here at HSU, student activists are using this day to collect words and ideas from our fellow students in order to facilitate future collective action that meets the needs of the students.

Thursday, October 18th
Day of Action for Education

STRATEGY:

THE GOAL: A Global Day of Action for Education has been called by the International Student Movement platform. (ISM-Global.net) Local student activists have made it their goal to generate and publicize our collective student voice. Our general assembly has been working to understand the student condition and take action to make it better. To do so, we need to understand the students. Therefore, we have dedicated this day to collecting the words of the students on our campus.

THE PLAN:

To create a unified voice, we are asking every student on campus to answer **3 QUESTIONS:**

- 1. What is the biggest barrier to your education?**
- 2. What do you want to see more of in your education?**
- 3. What level of action are you willing to take to create a better education system for all?**

HOW YOU CAN HELP:

*** STUDENT VOICE BOXES WILL BE LOCATED AT:**

- UC Quad
- Art Quad
- Entrance to BSS
- Harry Griffith Hall
(Main Entrance)
- Founders Hall
(Main Entrance)
- Library Steps
- Sci. B Lounge

- A.** Read the questions aloud to your classes and ask everyone to write their answers on a small piece of paper and pass them forward. Then, collect the responses and deposit them in one of the "Student Voice Boxes" that will be located at key points around campus.* Also feel free to collect responses from friends and students outside of class and submit them as well. Encourage students to include their email to receive the results and future info.
- B.** Submit responses online at: hsustudentunion.org
